Notice how some homes just get it so right? Introducing The Como, a stunning two-storey home that simply makes sense, no matter what your stage of life. A master bedroom on the ground floor. A laundry discretely nestled behind the kitchen. And a home theatre and games within the children's retreat. Not only smart, The Como has room to spare, providing a generous 280sqm of living space in a narrow 10.48m frontage.
